- [H2] "Paul is excellent when it comes to surveillance. His pricing is upfront and competitive with others doing the same type of work. His agency is licensed and he has the expertise and experience to get the job done. Paul kept in touch with me every step of the way and we brainstormed together on next steps. His photos and videos are spectacular and I am pleased I selected his agency to do the work I was looking for. "

- [H2] "This was our first time using an Investigator and my Son needed one for his Case. Not only was Paul helpful doing the interview but he also helped as an interpreter for what was needed. He traveled to us and the price was worth the work that he completed for us. We WILL be recommending him to others and if we need him again, we will definitely use again. My son is very grateful and so are we."
