After meeting several people, and receiving several estimates, we chose Philip. Not only were his prices the best, he spent the time with us to really understand what we were looking for, and suggested various options for the space. The cabinet looks beautiful in the space. I highly recommend Philip for your custom wood needs." - Linda J., Howell, NJ

		<ul style="list-style-type: none"> • [H4] "I live in an adult community 55+ in a condo. Since we live on the 3rd floor overlooking the parking lot, I wanted some privacy and seclusion. Phil came to our home, saw our need and came back some an idea that covered the patio railing.He made a bamboo laced privacy screen surrounded by a lovely wood casing. We were very pleased with the outcome. Phil is wonderful to work with. To say that his work is excellent probably doesn't describe how we felt about his creation.It was awesome. If you are looking for an answer to a problem or a beautiful piece of furniture, I would highly recommend Phil". Karen S., Hillsborough, NJ • [H4] "When I decided to renovate my master bathroom last year, I contacted Philip about designing and building a vanity. I had searched every store and website imaginable but, was unable to find exactly what I liked. I had a magazine photo of a vanity that came very close to what I was looking for. I met with Philip and we discussed my ideas. He came back with a plan that was perfect. After seeing the final product, I was thrilled. His creativity and craftsmanship are outstanding. I was so happy with my vanity that I asked Philip if he'd be willing to really think outside the box and create a recessed medicine cabinet that didn't look like a medicine cabinet. I was not disappointed. He came up with a cabinet that has a picture frame door where I can change the print whenever I like. Now my medicine cabinet looks like a framed print but, it hides an ugly medicine cabinet! Philip is a true craftsman !" Donna D., Readington, NJ • [H4] What a talented craftsman Philip Ridder is. He created a gorgeous vanity and medicine cabinet to match my vision and the style of my house. He listened to what I wanted and then took the time to select the appropriate wood, design and build the perfect piece for my bathroom. He'll do the same for any room in your house. He was very easy to work with and reasonable in price. I'd highly recommend him for any of your wood pieces". Beth V., Cranbury,
