- [H2] "The work you do at Activate America is so amazing and reliable. Our group really appreciates how easy you make it for us to do grassroots work. And the webinars and statistical reviews are so helpful as well."
- [H2] "One of the things I like best about AA is that you are so much more open to your volunteer base, much more interactive and transparent than most orgs. You really set yourself apart with that, and that's a major reason that we work so closely with you. Of course, that plus the excellent work that you do!"
